What is a UFO Challenge?

This event is a great way to get those **Un-Finished Objects** done once and for all! We'll help you "Git R Done"!

Here we go again! We're doing Git R' Done the same as last year:

- ♦ We'll be doing Git R Done deadlines on months with five Saturday's. That's March 30, June 29, August 31 and November 30.
- ♦ November 30 at 12:15 pm is the Grand Finale with final points tallied and prizes awarded.
- ♦ These are the same dates as Show and Share, so you can go to Show and Share for extra points if you'd like! Show and Share is from 10:30 am - 12:30 pm. \$5 at the door.
- ♦ Four projects for the year, due on the months listed above with 5 Saturday's.
- ♦ You choose what project you'll do each time.
- ♦ New points earned, as outlined on the next page.

Here is how the UFO Challenge works:

Fill out the Git R Done form and turn in by **Friday, January 26, 2024**. The form is available on the back side of this page and on our website under Happenings/Clubs. Your UFO can be any size. It could be putting on binding, finishing a quilt top, adding borders, you name it. You choose which project you'll be working on and in what order. Quilt Haven on Main will NOT be choosing a number for you or sending out monthly emails. You can attend Show and Share, call in your points, or email/text a photo of your UFO by the due date. No points given if past the due date.

Going away for the winter or live far away from Quilt Haven on Main? You can still join! Just mail your check or pay over the phone and mail/email your form in. Then email/text us a picture of your finished UFO by the due date on the form.

When registering, you will receive the cell phone and email to send in your photo's and points to.

See the next page for points, prizes and the form!

What are UFO Points? And how do you get them?

- 1. Complete your UFO by the due date. Bring it into the shop, attend Show and Share, or email/text a photo with your points to the provided phone/email by the due date on the form. **2 points.**

- 3. Previously purchased QHOM kit or fabric (before December 1, 2022). Must be 50% of your project. **2 points**
- 4. Share your project at Show and Share on the 5th Saturday at 10 am - 12:30. **2 points.**

You can get as many as 10 UFO points per due date. The maximum for the year is 40 points!
